

Connect with nature and the outside world with our inspiring collection of products for a culinary journey of exploration.

Nature is reflected in every piece of our 'Obsession Naturals' collection of products inspired by the natural world and all available from Studio 1765.

Captivating colours, shapes and textures breath life in to the designs. Nature is reflected in each piece as intriguing patterns and sumptuous glazes harmonise with the simplicity of the shapes and their raw and natural quality.

The natural colour palette includes soft pastels, earthy neutrals and rich tones all complemented by stunning matt and shiny glazes.

Speckled finishes and stone like textures add interest and deep inky blue designs on neutral backgrounds add yet another dimension.

Be inspired by the raw beauty of this collection!

SPECKLED WHITE

The simplicity and purity of nature is the highlight for **Speckled White**, combining two textures together harmoniously to emulate elements from the natural world.

The external walls have an earth like tactile texture contrasted beautifully with a glossy, soft white glaze on the inside. The speckled effect adds a subtle textured surface allowing for stunning displays, showcasing the freshness and organic qualities of the food

The simplicity of the plate and bowl shapes deliver an innovative representation of the natural cycle of nature.

KALE

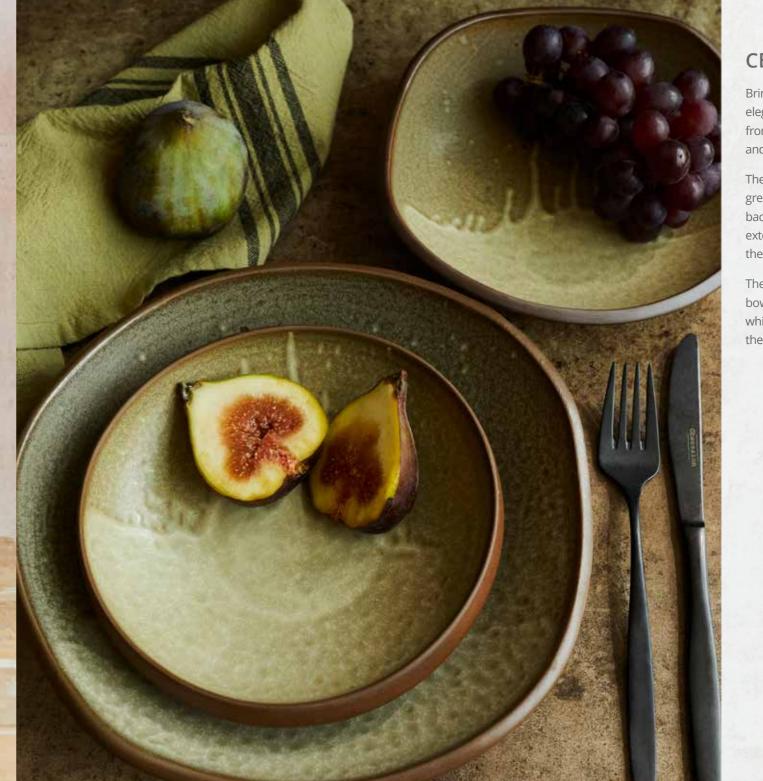

Inspired by the rich and glossy green leaves of the raw vegetable Kale, freshly picked from the forest floor. A striking and vivid combination of coloured glaze and natural clay gives this range it's unique look.

The subtle texture and smooth surface combined with the richness and depth of colour allows for harmonious presentation of food and plate.

The range combines exterior embossment, with simple round shapes optimising food presentation. The use of the natural edge enhances the dramatic look of the range.

CEDAR

Bringing a sense of rustic charm and organic elegance, the Cedar range draws inspiration from the warmth and beauty of the cedar tree and all of it's natural beauty.

The abstract design is created by the muted green dripped glaze against the darker green background finished off with a rich brown matt exterior. The rich, natural colour palette brings the food to life on the flat canvas of the plate.

The range is versatile with walled plates and bowls in various sizes offering the look of cedar while ensuring functionality. The ideal choice for the lover of all things natural.
